CATHEART LEFT THE PAPERS WITH CLERK

THE COUNTY ATTORNEY ELECT
LEFT WITH THE COUNTY CLERK
HIS OATH OF OFFICE.

Before leaving for the coast, John
W. Cathcart, County Attorney elect,
for the county of Oahu, left with the
county clerk all of the papers neces-
sary that he should have when the
moment arrives that he should take
office. These papers include his oath
of office, his bond and credentials.

Yesterday morning the Attorney Gen-
eral called at the county clerk's office
and asked to see the papers. They
were shown to him and he passed the
remark that it was "all right." Far-
ther than that he did not state whe-
ther the matter was out of form or not
and consequently unlawful.

County Attorney Donihitt was asked
whether the matter was lawful or not
and he replied that he did not know
as yet for he had not looked the mat-
ter up sufficiently.

The trouble arose over John W.
Cathcart, the duly elected County At-
torney, leaving for the coast before
taking his office and oath required by
law. Mr. Cathcart left a deputy be-
hind but whether he could appoint a
deputy or not under the circumstances
is not as yet determined. Attorney
General Peters is considering the mat-
ter at present.

HIGH WIND BROUGHT DOWN MANY TREES

RAPID TRANSIT LINES WERE
BLOCKED LAST EVENING—SURF
RUNNING VERY HIGH.

The high wind which prevailed dur-
ing last night and yesterday afternoon
did considerable damage about town
which consisted principally in uproot-
ing giant algaroba trees in yards and
in some instances near the streets so
that traffic was blocked. The Rapid
Transit suffered from falling trees con-
siderably and telephone and electric
wires went down in considerable num-
bers.

Reports from the Rapid Transit head-
quarters are to the effect that not a
great deal of damage was done to their
lines, although in three or four instan-
ces the lines were blocked by trees.
The worst blockade occurred about 5
o'clock yesterday afternoon at Kinau
and Lunailo streets, the service being
blocked there about 30 minutes, al-
though cars ran on either side of the
large trees which fell directly across
the tracks. A large force of men were
